- Reserve your yearbook! We do not purchase many books beyond those ordered.
- Visit www.yearbookordercenter.com and enter code: 13177 to order your book
 - Yearbooks will increase in price to \$95 through January

- Please see Senior Portraits announcement for more specific information
- Yearbook staff is always able to take portraits. Please let Ms. Wozniak know.
- Please email us the image with the student's name to seniorportraitsccchs@gmail.com
- CCHS does not promote a single photographer nor does it have Lifetouch portraits completed at school. If you choose to have your Student Id photo taken at school and used as your Senior Portrait, please note that it will be lower quality and a different pose/background than usual portraits – we do not recommend this.
 - If you do not submit a portrait or have your Student Id photo available for us to use, you will be listed by name only.
- Portraits should be vertically oriented, 300dpi (larger size/resolution is fine – we can reduce!)
- The decision to publish portraits is at the discretion of the editors of the yearbook. Please be tasteful and appropriate!

Parent Ads - Early Bird Pricing 10% off through **Monday November 30, 2020**

Regular Pricing: **Due January 4, 2020 (first day back after break)**

- Ads can be purchased and designed online! Just go to www.yearbookordercenter.com & enter code 13177 -- see link in next bullet for some OTHER templates
- If you would like to create your own ad, [using something OTHER than the templates available](#) at the Yearbook Order Center, please send complete pictures and content for parent ads to cchsseniorads@gmail.com (note the 3 s's) and drop off a check to CCHS Yearbook

Yearbook Info For 2021 Senior Portraits

Please submit a senior portrait to be included in the 2021 yearbook. While the deadline is in a few months, submitting the images sooner is much appreciated!! ☺

Yearbook staff is available to take portraits if financially needed. You do not have a portrait taken at school – the photo taken in school is your Student ID photo, which is a different pose, background, and lower resolution than a portrait. Using this image for your senior picture is not recommended, though we will use it if it is available! If you do not submit a portrait and miss the Student Id or retake days, you will be mentioned in the senior section by name.

We do not recommend photographers but here is list of some of the local photographers who have done portraits in the past:

Pierre Chiha (978) 369-9949
Nancy Roberts (978) 505-0513
Sheridan Kahmann (617) 699-1715
Richard Pasley (617) 571-7829
Carolynne Bailey (978) 369-0046

Brenda Dupont (978) 369-5930
Kathryn Purinton (978) 844-2506
Isabel Andrea '14 (781) 775-2929
MaryJo Prinos (978) 870-7619

There are also plenty of others in the area, so feel free to use anyone of your choice or take the portrait yourself.

If there is a financial difficulty for portraits or yearbook purchases, please contact Ms. Wozniak. We can assist.

Guidelines For Senior Portraits – Due Friday December 18, 2020

- Photos should be from the waist up and fully clothed – be tasteful and appropriate
 - No selfies please! The final image is 3"x2" so a selfie is not the most flattering
- Dress should be “nice” casual or better and should not depict drugs, alcohol, nudity, weapons, or include obscene, abusive, or profane language or gestures.
- No props! (This includes animals--real or stuffed--hats, instruments, cars, etc.) If you absolutely, positively need to have a prop, please contact the Yearbook Office.
- Any background is fine so long as it does not take away from the person in the portrait, show an inappropriate environment, or distract from other portraits on the page.
- If you choose to take your portrait yourself, please vertically orient it with a minimum resolution of 300dpi (about 600kb) – larger size/resolution is fine – we can reduce!

The decision to publish portraits is at the discretion of the Yearbook editors – please be appropriate
